How to get to Tea Trails

Ceylon Tea Trails is situated south of Hatton in the Dickoya and Bogawantalawa region of the hill country in south-central Sri Lanka. Most guests come by private car either as part of a bigger exploration around Sri Lanka or arranged by Ceylon Tea Trails.

The nearest major town is Hatton, which is 20 minutes away from the nearest bungalow, Summerville, and 45 minutes from the farthest, Tientsin. There is a railway station in Hatton with services to Colombo, Kandy and Nanu Oya (for Nuwara Eliya)

Distances

Colombo Airport 160 km 4 1/2 hours, Colombo 130 km 3 1/2 hours, Nuwara Eliya 48 km 1.45 hours, Kandy 68 km 2 hours.

Weather

As Tea Trails is at an elevation of 4000 feet, the climate is cooler and less humid than in Colombo and on the coast. Typically cool mornings, warm days and cool evenings. Daytime temperatures are comfortable in the low to mid 20's C and at night can drop to 10 C hence the fireplaces in all bungalows. The driest part of the year is between December and April. June/July and October/November are wetter months due to the monsoon. However the ambience of the bungalows is such that you'd think there's nothing better than curling up in front of a fire with a good book.

Bungalow Information

The four bungalows are between 4 km and 15 km apart. Rooms are named after former British estate managers who lived in the bungalow. Master Suites have separate living rooms and private gardens (except Tientsin), Garden Suites have private gardens. All rooms have ensuite bathrooms with twin washbasins and a traditional bathtub with shower. A communal TV is available with a selection of classic DVD's. Check-in/check-out time is 12.00 noon. Credit cards accepted: Visa, MasterCard, Amex. All bungalows are WI-FI enabled.

Activities

Since the bungalows are on working tea estates, guests will see first hand how the world's finest tea is made: how tea is harvested by hand in the fields and processed in the nearby factories in a traditional manufacturing process unchanged for a century. We provide professional guides and equipment for White Water rafting, Mountain Biking, Guided walks and other excursions. Golf is available at either Nuwara Eliya, one of the highest courses in Asia, or at the Victoria course near Kandy. Both are about two hours away. The nearby Darrowela Planters Club, built in 1868, offers the usual club facilities such as tennis, snooker, pool, a bar, badminton as well as Cricket and Rugby grounds.

Rates (see separate Rate Sheet)

In keeping with the private bungalow atmosphere, everything is included in the rate; bed tea, cooked English or Sri Lankan breakfast, lunch (packed lunch if on excursion), afternoon cream tea, pre-dinner cocktails, 4 course gourmet dinner, house wines, name brand house spirits, beer, soft drinks, tea & coffee, laundry, calls within Sri Lanka, bungalow circuit walks and other bungalow amenities. Rates exclude premium liquor, cigars and international telephone calls.

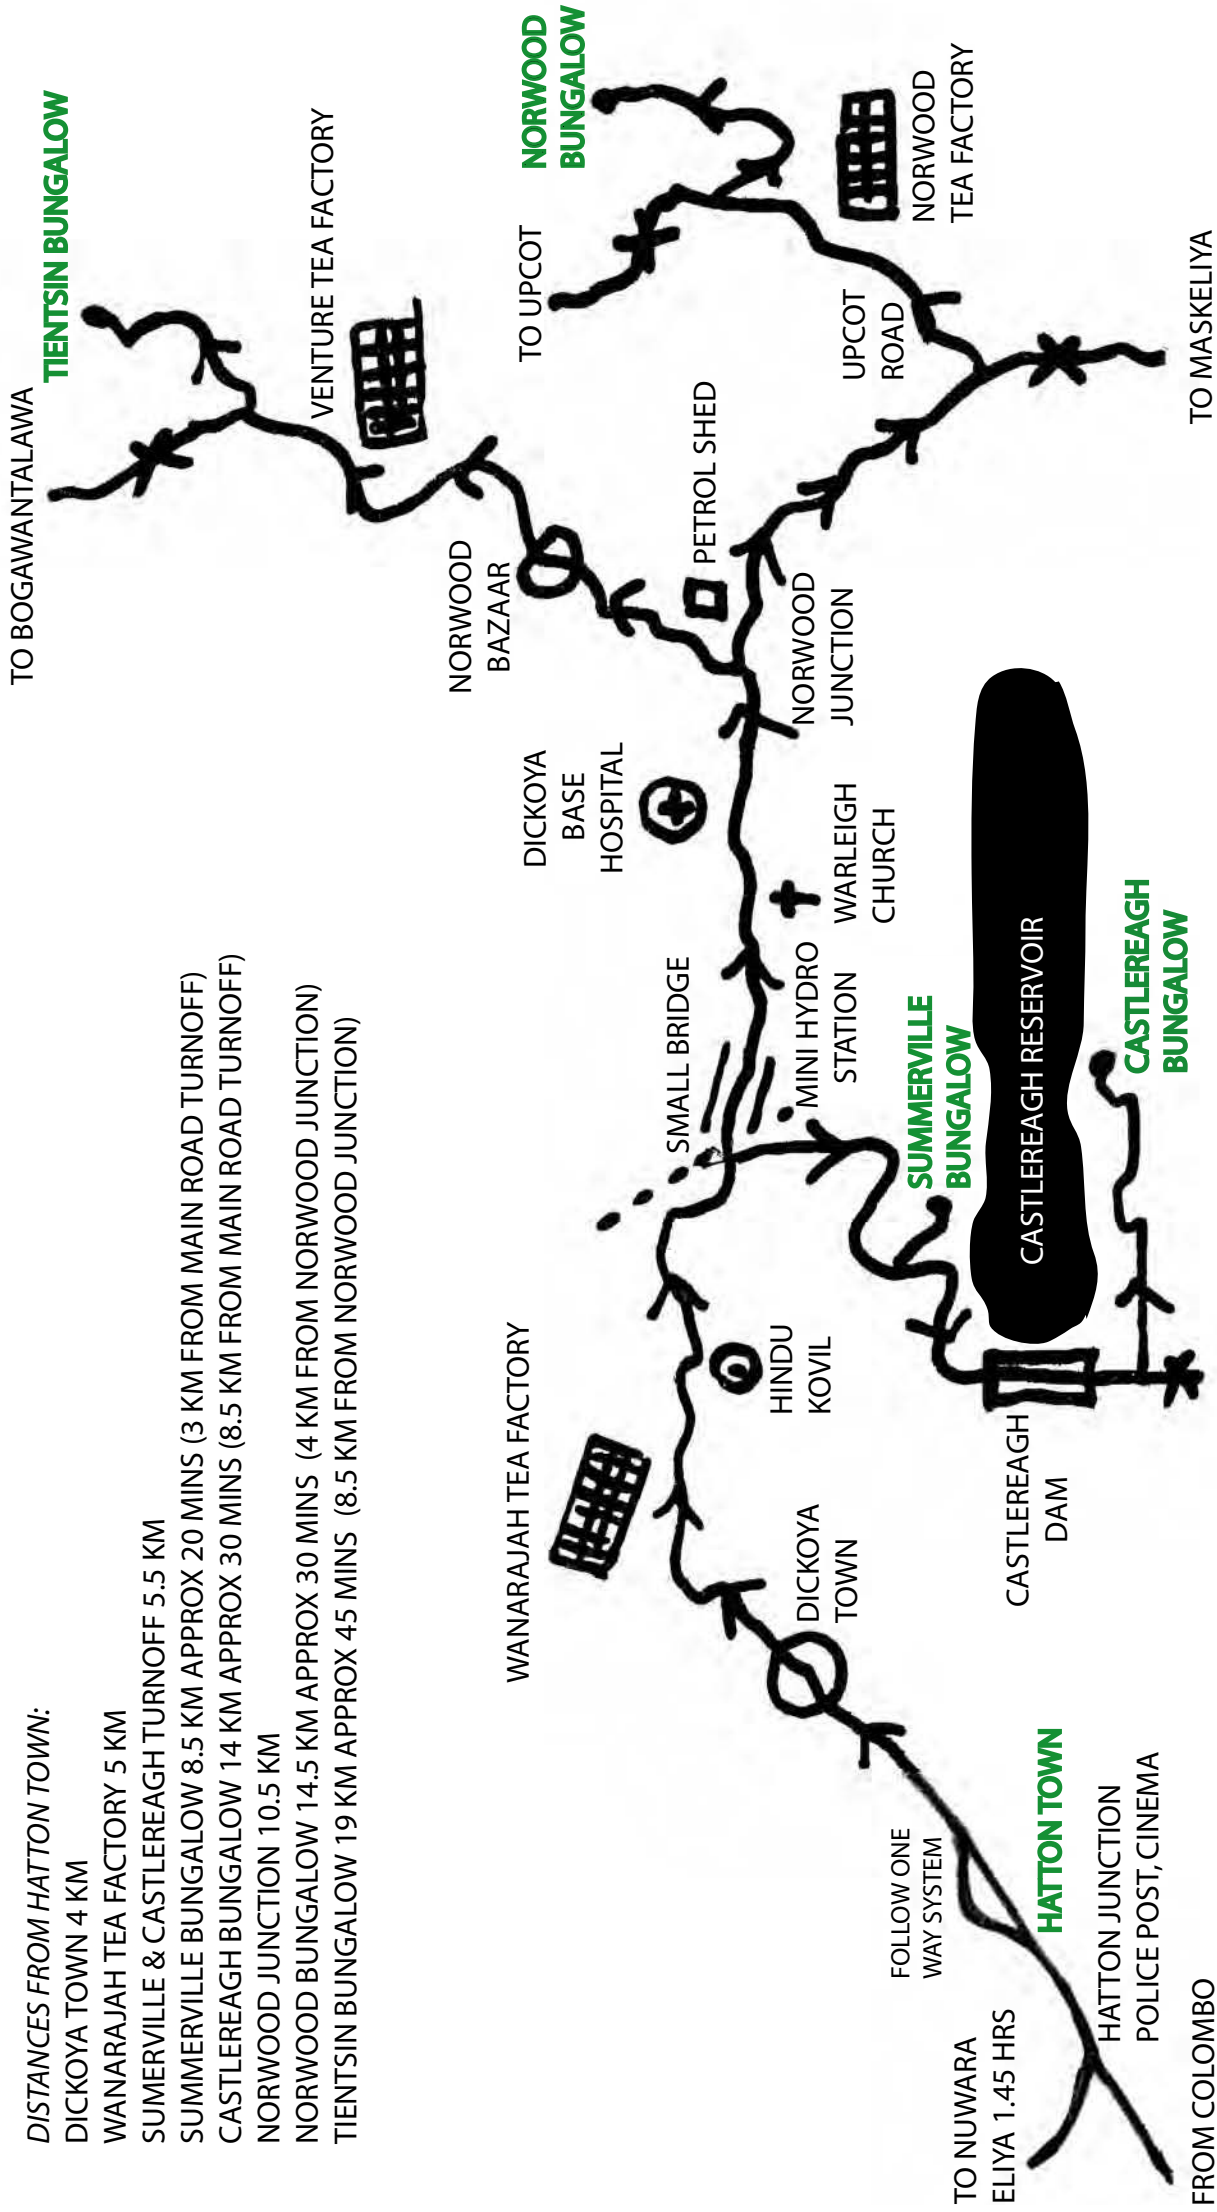

Child Policy

Children are welcome at Tea Trails. Two children up to the age of 12 years can share their parents' room, paying for meals & non-alcoholic beverages on an all-inclusive basis. One additional bed will be provided. Bearing in mind the peace and quiet that most guests prefer, we ask that parents ensure that children are not noisy inside the bungalow. Kids will have plenty of opportunities to scream and shout on the various excursions we offer!
